Points Based System – Application under Tier 4 (General) Student

Re: Miss

Thank you for your client's application. I am returning the enclosed passport(s) and other documents which your client provided in support of her application. Your client's Biometric Residence Permit (BRP) will be sent to you under separate cover. If you have not already received it, this should reach you shortly. You should receive your client's permit within 7 working days. However, if you do not receive the permit within 10 working days of the date of this letter, please call 0300 123 2412.

Please note that on delivery the courier will require proof of identity and a signature to confirm receipt of the package.

The Biometric Residence Permit is a residence permit which holds your client's biographic and biometric information and shows their immigration status and entitlements while they remain in the United Kingdom. The permit replaces the vignette (or sticker) and ink stamps previously placed in the passports of those granted permission to remain in the United Kingdom. A leaflet will accompany the permit which will give your client more information about it.

On receipt of the permit please ask your client to check it carefully to make sure that all details on it are correct. If they find a mistake they must telephone 0300 123 2412 within 10 working days of receiving the permit.

Permission is given for your client to undertake the course of study detailed below:

Sponsor: College
Address:
Course title: Advanced Diploma in Administrative Management Level 5

The attached leaflet explains the conditions of your client's stay whilst in the United Kingdom.
